Forecast for Saturday 01 May 2021

Weather: Variable cloud overnight, a lot of dry weather but the odd shower may linger over the Cromdale Hills. A mainly dry start to the day with some sunny intervals. then from late morning scattered showers breaking out. The odd heavy one in the afternoon with snow above 750m with sleet or hail lower down. A lot of cloud in the evening with further showers around.

Chance of cloud free mountain/hill tops above 800m: 80%, falling 40% in evening.

Visibility: Generally good clarity to the airmass but falling moderate, occasionally poor in showers especially later. Cloud bases mostly 900m or above, but some patches to 600m in the evening.
